## TRAVEL SAFE

Don't let someone take your passport or travel documents.

Be concerned if someone takes away your choices and makes you feel scared.

Don't believe everything your employer tells you,

Be concerned if something you thought was good is turning into something bad.

Don't let someone control your money.

Human trafficking is a crime: trafficking is to be deceived or taken against your will and forced to work in places like the sex industry, private houses, farms, factories, sweat shops, restaurants and on the streets.
